08/01/2015 at 15 :15	<p>To the investigation team :</p> <p>We wanted to know the content of the two CD's named "MM PIX" (MC0/002 and MC0/006). Those content weren't accessible.</p> <p>We also wanted to know if the evidences MC0/004, MC0/005, MC0/006, MC0/007, MC0/008 and AEI/005 belonged to Fred Tuck.</p> <p>To Norman Sherriff :</p> <p>When we investigated the first data searching for the behavior of M. John Little, we saw the mention of two projects :</p> <ul style="list-style-type: none"> — Project <i>Nomad</i> — Project <i>Snow King</i> <p>Those two projects where used as threats from Mrs. Marian Maid to M. John Little : « Also remember, I know about Project "<i>Snow King</i>" and "<i>Nomad</i>". You ought to have remembered that I live with you and know more that you may think before embarrassing me to the entire office. » (Mrs. Marian Maid to M. John Little). « What do you think you're doing, threatening me ? » (M. John Little to Mrs. Marian Maid).</p> <p>We then found some CD's with the name « <i>NOMAD</i> » wrote on it (AEI001 and MC0/007).</p> <p>Then, we looked on M. John Little, M. Fred Tuck and Mrs. Marian Maid email box about those projects.</p> <p>We found that those two projects are being run by M. John Little and M. Fred Tuck. It appears that those projects are about embezzlement.</p> <p>When M. Norman Sherriff heard this, he told us the investigation was changing. We are now in an investigation of a criminal case and not a civil investigation.</p> <p>This is the matter of embezzlement. At this moment, we have three suspects :</p> <ul style="list-style-type: none"> — M. John Little — M. Fred Tuck — Mrs. Marian Maid <p>To continue our investigation, we have the authorization to read the mails of those three persons about the projects « <i>Nomad</i> » and « <i>Snow King</i> ».</p>	EBDN LCSS LLVE APST
